

SEA Implementation and Practice: Making an Impact?

Prague - Czech Republic
21 - 23 September 2011

Wiki Web GIS Application for Strategic Environmental Assessment

Session 6.6 - 23th September - 11am - Room Z1

Chair *Giuseppe Magro*

Is it possible...

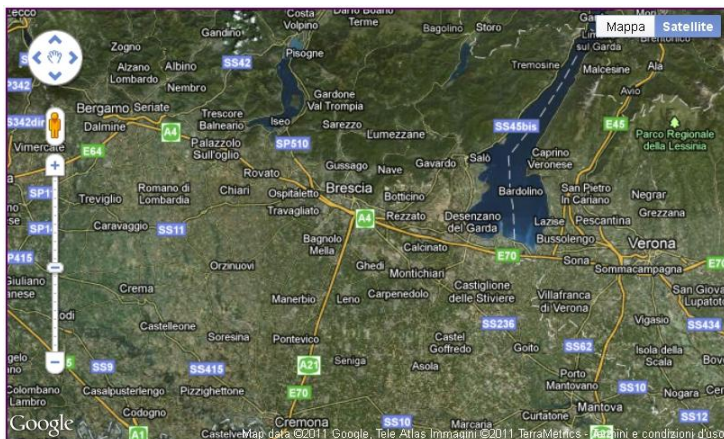

Using web maps in SEA?

Knowing when SEA process is coming?

Downloading 2.0 networking information on Plans/Programs from WEB-GIS?

Improving effective SEA web social participation?

Modeling impact scenarios by web?

FIND IT OUT!

Session 6.6 - 23th September - 11.00 am - ROOM Z1

WIKI WEB GIS: Social Networking in SEA Participation

WIKI WEB GIS on GOOGLE MAPS
